

CSCMP Arizona Roundtable

The Arizona Roundtable of the Council of Supply Chain Management Professionals (CSCMP) is the local roundtable supporting education, networking and the advancement of the supply chain profession within the state of Arizona.

CSCMP, based in Lombard, IL, is currently celebrating its 54th year as the leading source for the supply chain profession.

Your participation as a golfer and/or sponsor in our 5th Annual Golf Tournament directly contributes to the Arizona Roundtable being able to provide scholarships to Arizona-based college students.

On behalf of CSCMP and the Arizona Roundtable, thank you for supporting us, your field and most importantly tomorrow's supply chain leaders!

*10% of proceeds benefit American Logistics Aid Network (ALAN) & 10% benefits Junior Golf Association of Arizona.
